

[Full Name]

[City, State] | [Phone Number] | [Email Address] | [LinkedIn Profile URL/Github]

Professional Summary

Provide a 3-4 line paragraph highlighting your total years of experience, core expertise, and your most significant career achievement.

- **For Freshers:** Rename this to **Career Objective** and focus on what you aim to achieve and the foundational skills you bring to the table.

Core Competencies / Skills

List your key technical and soft skills. Keep this scannable so Applicant Tracking Systems (ATS) and recruiters can quickly spot your qualifications.

- **Hard Skills:** e.g., Python, Data Analysis, Project Management, SEO.
- **Soft Skills:** e.g., Cross-functional Leadership, Client Communication, Problem Solving.
- **Tools/Software:** e.g., MS Excel, JIRA, Salesforce.

Professional Experience

List your work history in reverse chronological order (most recent first).

[Job Title]

[Company Name], [City] | [Month, Year] – [Month, Year or "Present"]

- Start bullet points with strong action verbs (e.g., Spearheaded, Developed, Managed).
- Focus on measurable achievements rather than just daily duties (e.g., "Increased sales by 15% over six months").
- Keep it to 3-5 impactful bullet points per role.

[Previous Job Title]

[Company Name], [City] | [Month, Year] – [Month, Year]

- Add your responsibilities and achievements here.
- Quantify results wherever possible using numbers, percentages, or rupee amounts.

Education

In India, academic qualifications hold significant weight. List your highest degree first.

[Degree Name] in [Specialization]

[Institution/University Name], [City] | [Year of Passing]

- **Score:** [CGPA or Percentage]

Class XII (HSC) / Diploma

[School/College Name], [Board Name] | [Year of Passing]

- **Score:** [Percentage]

Key Projects (Highly Recommended for Freshers/Tech

Roles)

Highlight academic or freelance projects if you have limited formal work experience.

[Project Title]

- Briefly explain the problem you solved or the goal of the project.
- Mention the tools, technologies, or methodologies used.
- State the final outcome or impact.

Certifications & Achievements (Optional but Recommended)

List any extra-curricular achievements, professional awards, or courses that add value to your profile.

- [Certification Name] from [Issuing Organization], [Year]
- [Award Name] for [Reason/Accomplishment], [Year]

Personal Details (Traditional Indian Context)

Note: While modern startups and MNCs in India no longer require this section, it is still commonly expected in traditional industries, government roles, or manufacturing sectors.

- **Languages Known:** English, Hindi, [Regional Language]
- **Address:** [Complete Residential Address]
- **Date of Birth:** [DD/MM/YYYY] (Include only if explicitly asked by the employer)
